

LESSONS WITH SOFIA

HERE ARE SOME SPECIFICS OF WHAT WE WILL WORK ON TOGETHER...

SINGING

- Vocal technique, in order to maintain healthy singing habits
- Effectively warming up our body and voice to perform
- Story-telling in musical theatre songs
- Learning tools for effective practicing
- Choosing and cutting material for recitals or auditions

ACTING

- Learning the basic components of building & understanding a character
- Working on monologues and scenes from plays and musicals
- Analyzing the text for clues
- Expanding knowledge of classical & contemporary playwrights
- Prepping material for auditions or callbacks

DANCING

- Technique in ballet, tap, and/or musical theatre
- Solidifying execution of fundamental, common dance steps
- Picking up combinations in any style
- Personalizing the combination with your own style
- Creating your own choreography

All material will be adapted to each student's experience level and unique interests
